## **Creative Solutions for Term Life Insurance**

---

### **Guaranteed Premiums**

Life insurance premiums will never increase and are guaranteed to age 100. Thereafter no additional premium is due while the coverage can continue to age 121.

### **Guaranteed Benefits During Working Years**

Death Benefit is guaranteed 100% when it is needed most—during your working years when your family is relying on your income. While the policy is in force, the death benefit is 100% guaranteed for the longer of 25 years or age 70.

### **Guaranteed Benefits After Age 70**

Even after age 70, when income is less relied upon, the benefit is guaranteed to never be less than 50% of the original death benefit. And based on current interest rates and mortality assumptions, the full death benefit is designed to last a lifetime.

### **Long Term Care (LTC)\***

If you need LTC, you can access your death benefit while you are living for home health care, assisted living, adult day care and nursing home care. You get 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC. Insurance premiums are waived while this benefit is being paid.

### **Paid-up Benefits**

After 10 years, paid up benefits begin to accrue. At any point thereafter, if premiums stop, a reduced paid up benefit is guaranteed. Flexibility is perfect for retirement.

## LifeTime Benefit Term Can Help
